Title :

Re: Request for Certificate of Correction

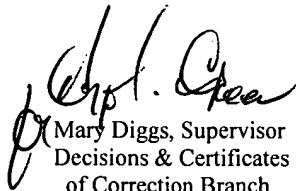

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322.

Inspection of the application for the patent reveals that in connection with the alleged errors; Title page, items [30] and [63] to which applicant refer does not warrant inclusion on the letters patent. The patent with respect to applicants request is printed in accordance with the record in the Patent and Trademark Office as passed to issue by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to a issue certificate of correction under the provisions of 35 U.S.C. 254 and Rule 322 of the Rules of Practice of the United States Patent and Trademark Office in Patent Cases.

In view of the foregoing applicants request in this matter is hereby denied.

Further consideration may be obtained with the submission of a new request filed under 37 CFR 1.323 with the required fee of \$100.00 or a request for reconsideration under 37 CFR 1.322 including documentation to support applicants claim.

In view of the foregoing applicants request in this matter is hereby denied. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
